To Whom It May Concern:

It is my great pleasure to know Jennifer Ashby, and I wholeheartedly vouch for her personal and professional character.

I have worked with Jennifer for almost a year now, since we first worked together at Gulf Coast State College. We quickly became friends and partners with The Fit Devil.

I know it sounds cliché, but Jennifer is the type of person who would find a solution to any problem. She has worked for the college within different capacity for many years.

I trust Jennifer without reservations. She knows her field and would recommend her talents without any hesitation. She is honest to a fault and a person who I would be honored to work with again in the future.

Please do not hesitate to contact me if you have any questions at my information below.

Sincerely,

Jamiel Vadell, Ph.D.
